

Are you a resident, community member, or key stakeholder in Pender Harbour or Egmont? Are you interested in shaping the future of Madeira Park?

The Pender Harbour and Area Residents Association would like to know.

We have engaged Maggy Spence, a Masters Student of Community and Regional Planning at UBC, to help develop a survey to determine this community's priorities about future development.

This short survey (5–10 minutes) will help us understand what community members in Pender Harbour and Egmont believe is necessary for the future of Madeira Park.

The survey will be available for participation through April and May.

Please reach out to Maggy Spence at [maggyspence22@gmail.com](mailto:maggyspence22@gmail.com) if you have any questions.
